

ANNOUNCEMENT OF GRANT AVAILABILITY

The Franklin Square House Foundation is accepting grant proposals for its 2011 housing round. The foundation, started in 2008, provides bricks and mortar grants to projects that support women and families as well as capital improvement grants for economically and racially integrated childcare centers. Since becoming a foundation in 2008 Franklin Square has made \$2.5 million dollars in grants to 33 different organizations.

The current funding round applications are due Friday, January 21st 2011. Information regarding the Foundation's mission, grant applications, guidelines and previous grant awards are available on the website www.franklinsquarehousefoundation.org. Potential grantees are required to contact Robert Goldstein the Foundation's Executive Director prior to submitting a proposal. No proposals will be accepted without doing so.
