

**Did YOU grow up in Roxbury?  
Do you have a STORY to share?**

**Madison Park Development Corporation is celebrating our 45th Anniversary by collecting stories from residents who remember, or were part of, the 1960s activism that helped defend & create this community!**

***We'd love to hear YOUR stories about...***

- **how the neighborhood has changed,**
- **how residents led the way in stopping the highway and challenging “Urban Renewal”,**
- **how the community advocated for—and won!—improved housing, schools & more.**

***We will feature some of these oral histories at a special community story-telling event at Hibernian Hall on October 20<sup>th</sup> from 7—9 PM.***

**If you have a story you are willing to share in writing or a short interview, or if you know someone we should reach out to, please contact Angela, 617.849.6234 or [akelly@madison-park.org](mailto:akelly@madison-park.org).**
