

TSNE's Better Nonprofit Management Training Series

2011-2012 Workshops

Gain field-tested tools and concepts to take back to the office for immediate implementation.

Third Sector New England's Better Nonprofit Management Training Series provides ongoing learning opportunities specifically designed *by and for* nonprofit managers and staff. **More than 750 nonprofit professionals from 350 organizations** have strengthened their management and leadership skills – from fundraising to financial management to effective supervision – through TSNE's training series.

"I just want to say thanks for the outstanding training. It was the most useful three hours I've ever spent focusing on management issues."

C. Amirault, Executive Director
