HAPHousing	Yes	No	No	No	Yes	Yes	Many efforts have engaged residents and stakeholders, beyond the original engagement goals identified in the CIP. These include 1. A focus Group on Resiliency designed to elicit input from residents about a recently funded proposal to the HUD NationalResiliency Disaster Competition; 2. approval by the Old Hill Neighborhood Action Plan 2015-2020 by the Neighborhood Council; 3. forming a Vacant Property Committee to identify and assess all of the vacant lots in the neighborhood and prioritize them for City action; 4. forming a Community Garden Committee involving 6 community gardeners planting and gardening in the Tyler Street community garden; 5. kicking off the Healthy Hill Initiative planning process including residents, community organizations, healthy food, and workforce development to improve health; and 6. supporting the Old Hill Neighborhood Council in planning, community outreach, and organizing a community BBQ with the Springfield Police Department to enhance community spirit and public safety.
