THE SEARCH

Pine Street Inn (PSI), a nationally recognized nonprofit that provides a full spectrum of homeless services and is dedicated to ending homelessness in the Boston area, seeks a Chief of Operations & Social Enterprise (COSE) to join its leadership team.

Established in 1969 as an emergency shelter, Pine Street Inn has grown to become the largest nonprofit resource for homeless and formerly homeless people in New England, serving more than 2,000 individuals daily and 10,000 annually. The Mission of Pine Street Inn is to partner with homeless individuals to help them move from the streets and shelter to a home and to assist formerly homeless individuals in retaining housing. The organization provides street outreach, emergency services, supportive housing, job training, and connections to employment. Pine Street Inn has earned its reputation as a tireless advocate for collaborative solutions to end homelessness.

The COSE will play a vital role in this storied organization, reporting to the Deputy Director and working closely with the leadership team to find innovative approaches to serve PSI's clients and fulfill strategic goals in support of ending homelessness. By operationalizing and streamlining its programming, the COSE will posture PSI to serve a greater share of the New England homeless population. Through the provision of full-scale services including an emergency shelter, mental health support, substance abuse treatment, permanent housing, and job placement, the COSE will oversee and have a hand in the success of the majority of PSI's programmatic efforts.
