Resident Services Coordinator

The Neighborhood Developers provide stable homes within great neighborhoods, which serve as a foundation for thriving families and individuals. Our homes and neighborhoods promote healthy families as well as work, economic, and educational success. Resident Services contributes directly to these goals by supporting stable tenancies and resident health, and by connecting residents to each other and the broader community. Services are provided through direct service provision as well as through formal and informal relationships with third party providers.

The Resident Services Coordinator delivers programs and amenities that support stable tenancies and serve children, adults and seniors living in OppCo properties under the direction of the VP of Resident Services. The Coordinator will lead community engagement efforts in OppCo properties to build social capital by fostering person-to-person and people-to-place relationships, develop the skill and will of resident leaders to take on leadership roles in the property and in their community, encourage civic engagement in order to build neighborhoods of choice where neighbors have elevated community standards and a sense of efficacy. This is a mobile position that will require regular travel to Member agency's properties. The Coordinator will coordinate with property management staff and community partners. The Coordinator is responsible for supporting partnerships with service providers to expand opportunities for residents to access programming that would enhance their quality of life.
