Do not give this to the senator, but rather use the card to guide your discussion and record their views on our key issues. Simply check the box that best reflects their answers and return this form to the box in the Great Hall.

Questions for your State Senator	Yes	No	Comments (e.g., needs more info, likely to follow legislative leadership, partial support)
Will you support keeping the Community Investment Tax Credit preservation policy in the Affordable Homes Act, which would eliminate the sunset and expand the annual cap from \$12 million to \$15 million?			
Will you support creating the Massachusetts Healthy Homes Program with a \$50 million bond authorization in the Affordable Homes Act, to provide resources to prevent the health consequences of sub-standard housing?			
Will you support allowing towns to enact a local option Luxury Transfer Fee in the Affordable Homes Act, with flexibility allowing as many towns as possible to access it?			
Will you co-sponsor an amendment in the FY25 budget to increase the Small Business Technical Assistance Program to \$10 million ?
